Going Back to Your Old School

For Ages 18 or Older

**Your old school
has to take you back.**

Or place you in the right school for your grade.

**Your school has to tell
Manson that you're back.**

And then Manson has to send the school your records and transcripts within 10 days.

**You get credit for all your
school work at Manson.**

**You don't need your parent's
or guardian's signature to
get your records transferred.**

**The school cannot expel you
or punish you for the offense you
already served time for.**

Alternative Education

**If you're 18 or under
they can't put you in Alternative Ed unless you say okay.**

**If you're 19 or older
they can put you in Alternative Ed if you don't have
enough credits to graduate the year you turn 21.**
